Jeans Day ? Support the BC Children?s Hospital Foundation

On May 4th, join Global Pacific and **#JeanUp** to support kids at BC Children`s Hospital.

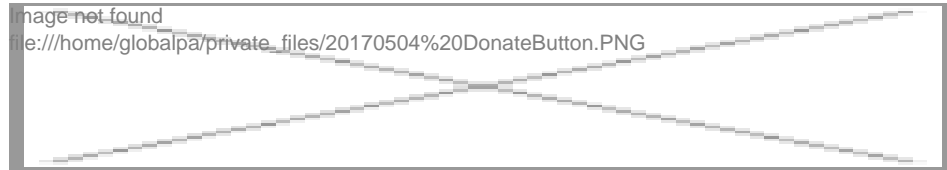

Simply buy a button (\$5), or a lapel pin (\$20) and wear your favourite denim outfit on **Jeans Day**. Pins and Buttons are available at Global Pacific, you can also 'Donate to this Event' by clicking on the button at the bottom of the page.

Help the BC Children?s Hospital in their endeavor to research into childhood diseases, purchase and/or upgrade to state-of-the-art medical equipment, and fund education programs for caregivers and families. For purchasing a lapel pin or making a donation **over \$20**, you will receive a Tax Receipt (*complete and submit the Tax Receipt & Payment Form to Kevin*).

These funds help support kids and assist them in getting the medical care and attention they need.

Jeans Day is a fun and easy way to show your support for the BC Children?s Hospital. You can wear your pin with pride and celebrate the good things you?ve done for BC`s Kids.
