Valuable Information - Legacy Library

Focus: Legacy Products / Library Found On Repsource

Impact: Did you know you can find previously sold product and rate information on Repsource? By using the Legacy Product/ Library tool, you have access to current rate information and product detail at your fingertips (for some products that we service and no longer offer). Examples of the companies who previously offered these products are; Maritime Life, Zurich Life ect.

Additional Information: Under the Maritime Life tab, there is a library of information on the key products previously sold by Maritime Life. Some examples include :Architect , Intrepid, Essential & Universal Solutions, Lifetime Term & Executive Lifetime Term policies ect. This library can provide you with sample contracts and or marketing guides/rates of return on the key products listed above.

The Legacy/ Library tool can be found by logging into Repsource and clicking on the Insurance tab followed by the Legacy Products tab.

Click on the link below to take you directly to the site:
